### **ART SHOW BY MAARTEN SCHADDELEE**

**MAARNADA STUDIOS, GALLERY & SCULPTURE GARDEN  
4635 VANTREIGHT DRIVE

**SATURDAY JUNE 21ST & SUNDAY JUNE 22ND 2008**

**1:00 p.m. - 5:00 p.m.**

#### **Dear Friends of Maarnada:**

We are so excited about inviting you to Maarnada to see Maarten's Show called Creating The Vision!

Maarten had set an intention two years ago that he wanted to do the 'BIG' work while he could!

His intention continues to come to fruition.

His health and enthusiasm at sixty-one years of age is grander than ever! Hard to believe.

The two most frequently asked questions are:

#### **Which is your favourite?**

Every piece Maarten creates is his favourite. It is the one he is working on at the moment....and each one was the moment. He takes living in the present moment through his sculpting process into all of his creations.

#### **How long did each sculpture take?**

"All sixty-one years of my life and all the experience that came with it, my hands make the voice of my heart visible," says Maarten.

One size of sculpture does not fit all. In between the large, he has many small and mid size beauties to share in all shapes, mediums, colours, wood and stone. Something to touch your heart as a still point and to take home.

Our vision was to invite people to where the art has been created, visit the studio, and the point of land that inspired the art.

We encourage you to bring your friends and share the Magic of Maarnada.

If the June dates don't work for you please call 250 4771651 or email [nadinas@shaw.ca](mailto:nadinas@shaw.ca) to set up an appointment.

Looking forward to seeing you,

Nadine A. (Nadina) and Maarten
